# About Our Jewelry

*The highest quality – and greatest care – guaranteed.  
From our hands to yours.*

Experience the unique handcrafted jewelry of designer Aimee Addison's Wear Me Jewels collections. Created in the Pacific Northwest (USA), these whimsical designs embrace reflections of the natural world with a sweet vintage look that has an enduring and timeless quality.

Each piece is created by hand using high quality natural brass, sterling silver, copper, bronze, freshwater pearls, stones, and beads. A prevalent element in many pieces, the natural brass is a wonderful nickel free and tarnish resistant metal that lends a warm vintage look to the line of jewelry. With jewelry collections like the Peapod Collection, Vineyard Collection, and Dogwood Flower Collection, Wear Me Jewels designs seek to achieve a classical elegance that whispers of nature and calls out to the buyer, "Wear Me!"
